Judiciary, SCHEV, VFHY,
CCoVA

Prevention

Goal 1

Support the development of strong community coalitions.

Objective 1

Establish comprehensive list of current coalitions to be housed on Curb the Crisis website

Objective 2

Identify localities without coalitions

Objective 3

Provide coalition development capacity building at the community level

Metrics

Number of active community coalitions

State Lead

DBHDS

State Partners

VDH, DSS, VSP, DOE, VFHY, ARNG, CCOVA

Prevention

Goal 2

Establish an infrastructure that promotes a comprehensive approach to address childhood trauma/Adverse Childhood Experiences (ACEs).

Objective 1

Implement trauma-informed, ACEs-driven care in early childhood & foster care settings across the state to prevent later onset of risky substance use behavior

Objective 2

Support development of ACE Prepared Communities

Metrics

Number of ACE Prepared Communities

State Lead

DBHDS

State Partners

VDH, DSS, VSP, DOE, VFHY

Note

Governor's Children's Cabinet identified ACEs as 1 of 4 top priorities

Prevention

Goal 3

Secure state substance use disorder (SUD) prevention funding.

Objective 1

Request general funds to supplement limited federal funds received to prevent SUD

Metrics

General fund dollars earmarked for SUD prevention

State Lead

DBHDS, VFHY

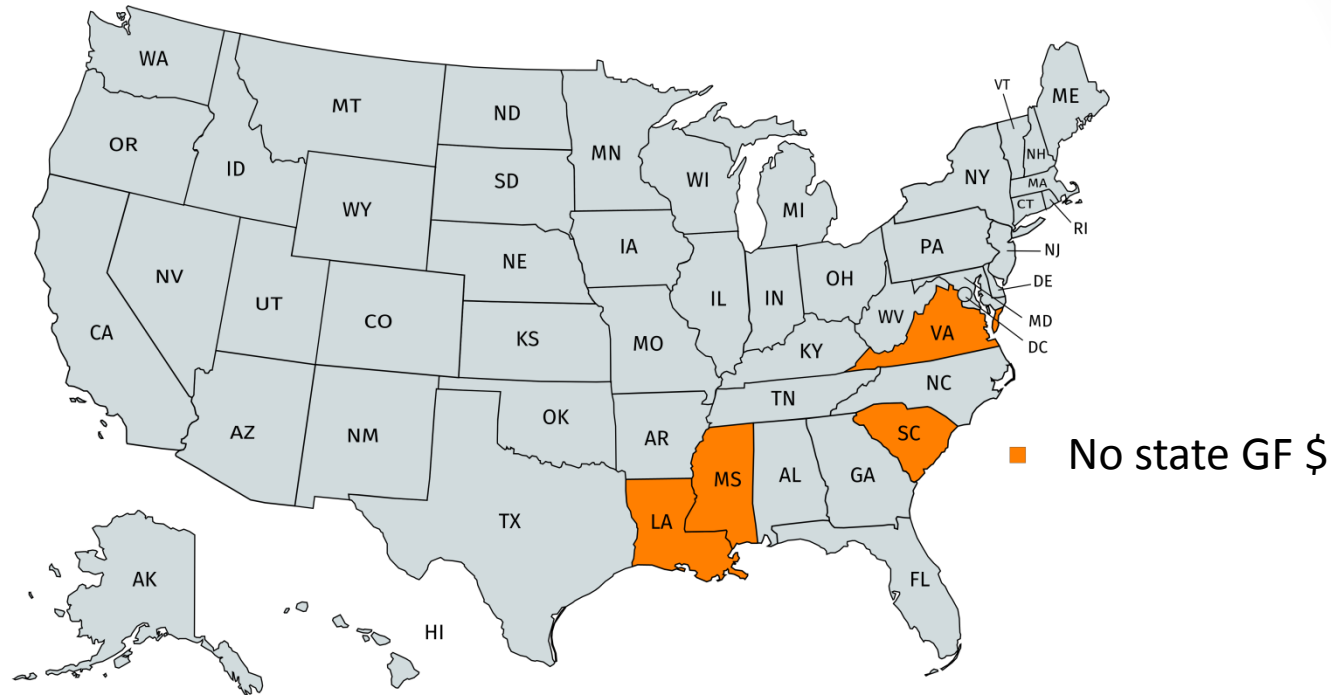

State Partners

DMAS, VDH, DSS, VSP, DOE

Note

Virginia is 1 of 4 states that does not receive SUD prevention state general funds

Prevention
